

The logo for 'etna' is written in a red, cursive script. A horizontal line is drawn above the 'e', extending across the width of the word. The 'e' is lowercase and has a long, sweeping tail that goes down and then back up to cross the horizontal line. The 't' is also lowercase and has a vertical stem that goes down. The 'n' and 'a' are lowercase and follow in a fluid, cursive style.

This wine list, as with everything you will find in Etna, was made with love and passion. With the hope that it will play its part in creating moments of joy, delight, connection and lasting memories.

We feel privileged to have this opportunity to share our hospitality with you.

To our lovers of aged wine, you are invited to browse our Rosmarino, our sister venue's list, for a wider selection of international drops.

Please request the menu from your waiter.
